

MoEFACS PRE-CONFERENCE WORKSHOP

“ServSafe Food Service Sanitation Training and Certification Course”

This one day course will provide participants the opportunity to learn the latest on sanitary food handling, food preparation, food borne illness, and the way to prevent it through the ServSafe Certification course. The examination for this course is given the same day and those who pass with a score of 90% or better can apply to the National Restaurant Association to be certified as a ServSafe Instructor. The ServSafe Certification Course was designed by NIFI and the Educational Foundation of the National Restaurant Association which is recognized nationwide.

Register for the course by mailing the completed registration form below with your check for \$100.00 to the MoEFACS Treasurer at the address listed below. A ServSafe course book will be mailed to you in late June/early July. Using the course book, you will be required to complete the home study lessons assigned in advance and bring those completed materials with you to the session. The first half of the session will be a comprehensive review for the examination and the examination itself will be administered during the afternoon. Results of the exam will be forwarded to you by mail several weeks later. Passing with a score of 90% or better qualifies you to be certified as a ServSafe instructor, allowing you to provide this instruction and ServSafe certification to your students!

DATE: Monday, July 21, 2008

TIME: 9:00 a.m. – 3:00 p.m.

LOCATION: Clarion Hotel, 3333 S. Glenstone, Springfield, MO
